M. FIRON & CO. ADVOCATES

PRIVATE EQUITY AND VENTURE CAPITAL

M. Firon & Co. specializes in the segment of investment funds including Venture Capital Funds, Private Equity Funds and Hedge Funds, which completes the firm's mutual fund practice. The firm has many years of experience in supporting all kinds of investment funds throughout their lifecycle, from their establishment, through routine activities, advising on huge investments worth hundreds of millions of shekels, to the liquidation of investment bodies and distribution of the profits and assets among the investors. This rich experience combined with multidisciplinary understanding, an international orientation, and outstanding business acumen have endowed the firm's attorneys with the ability to represent any investment fund with skill and success.

The department's team has extensive experience in building complex deals, forming management structures of funds, and providing creative solutions that bridge the differences and needs of investors, funds, and companies.

The firm also supports traditional investment instruments, such as mutual funds, portfolio management companies, and investment consultant companies, and is one of the most active firms in Israel in these areas.

The firm's in-depth, diverse investment expertise is also demonstrated in its advice on legislative proceedings to government ministries and its routine work with authorities and regulators.

The firm's clients in this sector include investment and venture capital funds spanning all types of investors, including international and Israeli venture capital funds, tech incubators, and private investors. In addition, M. Firon & Co. is one of the leading firms in Israel representing institutional bodies in investments in venture capital funds, hedge funds, and private equity funds incorporated in Israel and overseas. As part of this, the firm represents many large and well-known institutional bodies in Israel and supports large-scale investments.
